Subject: Division Request to Submit Reclamation Surety and Reclamation Contracts for Interstate Brick Company's Henefer Stockpiles, S/043/011, Manning Canyon, S/049/036, Summit, and Utah Counties, Utah

Dear Mr. Hewitt:

The Division is encouraged by your letter, sent by fax on March 13, 2007, wherein you indicate your intent to post surety for the above-referenced sites. We have enclosed a reclamation contract for each of these sites to assist you in completing the bonding requirements. Please submit the completed reclamation contracts along with the reclamation surety for each of the sites. You should contact Beth Erickson at (801) 538-5318 or [bethericksen@utah.gov](mailto:bethericksen@utah.gov) to obtain procedural information regarding the bonding process.

With regard to the Falenia Mine, S/045/058, the Division plans to conduct an inspection of the site in the near future. We should be able to close this site out if no disturbance has occurred.

Thank you for your help in completing these requirements.

Please direct inquiry and correspondence to Mr. Lynn Kunzler, 801 538 5310 or Ms. Beth Ericksen, 801 538 5318.

Sincerely,

Daron Haddock
